This is a decision on the petition under 37 CFR 1.137(b), filed August 10, 2001, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned for failure to timely reply to the nonfinal Office action mailed January 13, 2000, which set a three month shortened statutory period for reply. No extensions of time or timely reply having been received, the date of abandonment of this application is April 14, 2000.

A change of address signed by Rachel S. Watt was received on July 5, 2001. However, there is no indication that Rachel S. Watt was ever given a power of attorney to prosecute the instant application. Accordingly, the change of address filed on July 5, 2001 cannot be acknowledged. Therefore, in order for the Office to mail correspondence regarding this application to the above-address noted in the petition, the proper power of attorney documentation or change of address notification by an attorney of record must be submitted.

Telephone inquiries concerning this decision should be directed to the undersigned at (703) 305-8680. Any questions concerning the examination status of this application should be directed to the Technology Center.

The application file is being forwarded to Technology Center AU 2711.
